

## Etched Stainless Steel Nameplates

The ultimate in nameplate durability. Stainless steel resists the worst wear and/or corrosive environments. Copy is permanently etched and filled in black, red, blue or green. Available in #2B finish (satin mill) or #4 finish (brite brushed). Available with either coloured lettering and borders against a stainless background (Style PO) or with stainless lettering, pads and border against a coloured background (Style NE). Supplied complete with two mounting holes. Maximum one side dimension ... 5 1/2". Other thicknesses and sizes available.
