## Pre-Inked Industrial Stamps

Make your mark almost anywhere with the Pre-Inked Industrial Stamps from Xstamper®. The proprietary ink formulation is fast drying, permanent and water resistant when fully cured. Uniquely designed caps are engineered to minimize ink from drying out extending the functional life of the stamp. These stamps are ideal for marking any slick or hard-to-mark surface such as metal, glass, plastic, leather, gloss paper, etc.

- Industrial Ink** • Durable ink resists wearing and rubbing off, once fully cured
- Laser-Engraved Silicone Rubber** • Designed specifically for use with industrial inks to create long-lasting, crisp, clean impressions
- Air-tight Mounts** • Integrated O-ring and locking base to minimize risk of ink drying out
- Re-inkable design** • Provides a clean and easy way of re-inking to extend the life of the stamps
