

MultiColour AutoStamps ... up to 4 colours

Give your stamp impression more colour and divide it into fine, individually coloured areas. This highlights your logo, company name, new telephone numbers and helps you to stand out from the competition. You have four colours available and a customized colour pad you can always re-order easily. Seven sizes available ... see below.

- ✓ Customised impression: colour fields can be freely selected
- ✓ Top quality AutoStamp impression
- ✓ Lifetime Guarantee

Replacement Pads

A laser beam accurately cuts the specially processed pad material within a tenth of a millimetre. The precise cuts separate and seal the different colour fields. Special ink injectors dispense the correct amount of ink accurately.
