

## Laser Cut Plastic Letters

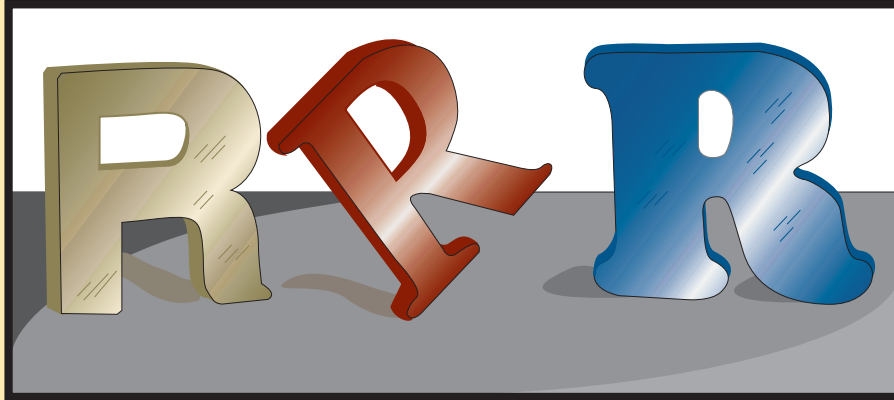

... 95 Typestyles

... Specifications

Fundamental to any professionally planned building ... from facades to lobbies, corridor walls to office doors. Made of pigmented acrylic (*see 20 colours at right*) ... available in 95 typestyles in sizes from 1" to 72". Laser cutting captures every precise letter detail and also polishes the edges. Ideal for cutting logos and symbols.

**Laser Cut Plastic Letters.** 95 typestyles, 20 colours. Polished edges. Plain back. Prices each.
