

# Parking Passes

Two-part Parking Passes are ideal for controlling visitor parking. The visitor makes a deposit, the form is filled out by the attendant, card stock hangs on the rear-view mirror, the paper copy is retained as a deposit record. The visitor then returns the tag on leaving and receives their deposit back. Made of 2-part NCR stock (white paper/coated back, white card/coated front).

**Parking Passes.** One colour black imprint. Die-cut shape. 2-part NCR stock. 3 1/2" x 8 1/2" size. Prices per hundred 2-part sets.
