

Military Style Dog Tags

What kid, teenager, student doesn't like dog tags. The look, the sound ... face it they're just cool!

Dog tags have long been popular from grade school to college. Whether worn around their necks, hanging on backpacks, or dresser mirrors, dog tags are the right promotional tools.

Available in two styles:

- Long lasting, rust free Anodized Aluminum with laser engraved imprint and silicone edge silencer in a matching colour.
- Four colour process design on one side (epoxy dome optional extra)

24" ball chain included.

Two Popular Styles
